

### ***-Directions, Parking and Public Transport Information -***

Complete Focus is at 116 Park Street, **South Melbourne** between Kings Way and Moray Street (Melway Map 2K Ref 2F). The building is an old Victorian era shop next to 'Bedi's' restaurant (a popular local Indian restaurant). To assist people finding the venue, the venue name (Complete Focus) is on the front door and there are large numbers (116) on both of the pillars on either side of the front windows.

#### **Parking**

Immediately in front of the venue, parking is restricted to one hour (7am to midnight). We advise participants to park in either *the carpark behind the venue* (refer details in next paragraph), or *just to the west of the venue* (i.e. toward Moray Street) where there are two small children's playgrounds on either side of Park Street (NB: These playgrounds are approximately 8 houses away from Complete Focus). There is all day parking around these playgrounds. These all day parking areas cost \$1.60/hour between 8:00am and 6:00pm weekdays and are free at all other times. ***We recommend this area for parking if attending groups in the evening or on weekends.***

There is an all-day public carpark right behind the venue. ***This carpark is recommended if attending focus groups during business hours (9:00am to 5:00pm)*** as there are always plenty of spaces available. There is a charge of \$5.00 for first 2 hours (ticket machine located in the carpark) and \$5.00 for every additional hour – max daily charge \$16.00. This charge is applicable at **all times** weekdays and weekends. This carpark is entered off Kingsway, next to the Wise Guys Pizza restaurant (Restaurant is located on the corner of Kingsway and Park Street).

#### **Public Transport**

Public transport is also very convenient with St Kilda Rd (Domain Interchange), Kings Way, Parks Street and Clarendon Street tram services all nearby. Traveling from the city you can use:
